Welcome to SPHTM!

It is my pleasure to welcome you to the Tulane School of Public Health and Tropical Medicine. We are thrilled you have chosen Tulane to advance your study in public health. I hope you are excited to get to know New Orleans and become a part of this historic school.

There is no school with a stronger heritage than ours. Tulane University was founded in 1834 in response to the health issues that threatened the future of New Orleans – yellow fever, small pox, and cholera, among others. The school itself was initially established in 1912, the first in the country, setting the foundation for the field. Our work is the reason Tulane was founded as an institution, and today we continue to live up to our legacy by driving impact regionally that scales across the globe.

Ours is a community that values collaboration over competition. Today you join us as service-minded scientists, passionate and committed. We aren’t just on the front lines of public health. We are the front line. I encourage you to embrace the historical legacy of our school, enjoy the unique culture of our home in New Orleans, make the most out of the opportunity to learn from the diverse array of expertise among our amazing faculty, and get to know as many of your classmates as possible.

Best regards,

Thomas LaVeist
Dean
My name is Gabriella St. Angelo and I am the President of The School of Public Health and Tropical Medicine Student Government Association (SGA) for the 2019-2020 school year, and on behalf of my board and the current student body we welcome you!

Below is important information to get involved at school and how to keep in the loop throughout the semester while you get settled as a student in this wonderful city.

The SPHTM SGA is an organization that coordinates activities for students and voices their concerns by working alongside the administration and faculty. We work closely with the student organizations and host many events/activities throughout the year.

The SGA hosts general body meetings every month open to all students. The meetings are intended to help you express questions and concerns, get involved in activities and organizations, as well as to help us help you in your student experience here at Tulane.

There are chair and ambassador positions open for the 2019-2020 school year that you can apply for. More information about this will be given at orientation. Feel free to email us at sphtmsga@tulane.edu if you are interested and we will promptly give you more information.

Organizations
Part of the Tulane experience is being an involved member of our student body! You have the opportunity to become a part of one or more of our wonderful organizations here at SPHTM that may appeal to your area of interest or a topic you want to learn more about. A large aspect of working in public health is making valuable connections. Taking advantage of these opportunities and resources will help you succeed not only as a student, but as a public health professional going out into the field.

The SGA is at your service, and we work closely with the many student organizations that represent the diversity of our student body and various public health interests:

- Healthcare Management Student Leadership Association (HMSLA)
- SALUD for Latin American Communities (SALUD)
- Society for Young Black Public Health Professionals (The Society)
- Tulane African Student Association (TASA)
- OneHealth Club Tulane
- Students for Sexual Health Equity (SSHE)

Stay In The Loop
I highly recommend you follow/join these pages below:

Facebook Group:
Incoming and Current Tulane SPHTM Students

Instagram Pages:
@TulaneSGA
@tulane_sphtm

Other resources:
Tulane Classifieds
SPHTM SGA OrgSync: please request to join, stating your incoming class

Please follow our pages to stay up to date with all the latest activities/events! We post about academic events, networking events, parties and most importantly, free food!

Look forward to meeting you at orientation!

Gabriella St. Angelo
Student Government Association | President
Master of Public Health, Department of Epidemiology, 2020

Resources and Services

The university and the School of Public Health and Tropical Medicine offer a lot of services and resources to help you navigate graduate school and the downtown campus area. You’ll learn about most of these resources in your new student orientation, and you can find them on the school’s [website](#) too. But this is a handy document if you want to start checking things out now.

Important Policies & Forms

Before classes start, review the [Academic Standards Policy](#), sign and submit the [Academic Honor Code](#) to the office of student affairs, and review either the master’s or doctoral handbook.

You can find those at [inside.sph.tulane.edu](http://inside.sph.tulane.edu) by logging in with your TU username and password.

The students section of [Inside SPHTM](http://inside.sph.tulane.edu) hosts all the academic and administrative forms you may need during your time as a student.

Downtown/Uptown Bookstores

The [Tulane University Bookstore](http://www.tulanebookstore.com) offers a wide variety of books, gifts, and apparel. The uptown campus bookstore is located in the Lavin-Bernick Center for University Life. The [Downtown Bookstore](http://www.tulanebookstore.com) is located on the first floor of the School of Medicine on Tulane Avenue. Both bookstores carry textbooks, the latest offerings from Tulane authors, and other popular reading materials. They are also your source for commencement regalia, invitations, and other graduation items.

Splash Card

Your [Tulane Splash Card](#) is more than your university ID. It has many other uses that fall into three categories: identification card, method of payment, and building access. Click [here](#) to learn more about each of these categories. Also, as a safety measure your Tulane ID is required to enter SPHTM and all downtown campus buildings. Please always wear you Tulane ID on your complimentary lanyard to avoid any delay getting to your destination.

Splash Cards are issued in Room 803.

Accessibility Services

At the [Goldman Center for Student Accessibility](#), we seek to eliminate barriers, advocate for inclusion, and ensure access for every member of our community. We stand by our mission, to recognize that a community rich in diversity acknowledges that [great minds think differently](#).
More resources & Services

Career Services

Tulane School of Public Health and Tropical Medicine Career Services is dedicated to serving current students and recent alumni in their quest for professional development and career guidance. Through individual advising, resume and cover letter review, group career programming, and networking opportunities, our mission is to guide students towards their goals both inside and outside of Tulane. Through our weekly email newsletter, Career Services provides students with the most updated career news, upcoming opportunities, and important dates.

The Career Studio, located on the 12th floor of the Tidewater Building in Suite 1227, is a hub for students to seek career guidance from our devoted staff, find a cozy spot to study, or take a coffee break. Offering walk in career counseling and scheduled appointments year-round, our career advisors can answer your questions and help you take action, whether you are practicing for that next job interview or working on your LinkedIn profile. Walk-in advising hours are offered in the Career Studio Tuesday through Friday, 10:00am-4:00pm during the Fall semester, where career advisors will generally be available to answer your career questions.

Tulane School of Public Health and Tropical Medicine Career Services utilizes Handshake, a centralized online platform, to provide job, internship, practicum, and professional opportunities tailored to your needs. Log in to Handshake today using your Tulane sign-on information.

SPHTM Career Services Contacts

- Margie Cartwright, Executive Director, cartwright@tulane.edu
- Catherine Gergen, Assistant Director, cgergen@tulane.edu
- Abby Lukens, Career Advisor, alukens@tulane.edu

Technology Services

Tulane Technology Services seeks to provide support to all Tulane faculty, staff, and students across all our campuses. Technology Services can assist students with questions and service requests over the phone at 504-988-8888 or via the web at https://it.tulane.edu/

School of Public Health and Tropical Medicine IT

The School of Public Health and Tropical Medicine operates a local technology support group in the Tidewater building. Located on the 18th floor, the SPHTM IT group can assist with wireless connectivity, software installation, and poster printing. The office is open Mon-Fri 8:30am to 5:00pm. Assistance can also be requested via email using sphhelp@tulane.edu or over the phone by dialing 504-988-2685.

Tulane Learning Management System, CANVAS

Tulane University delivers digital class content to students via our Learning Management System CANVAS. Students can access their course content by visiting: https://tulane.instructure.com. A technology guide is available at https://guide.tulane.edu.

E-Academy

Technology Services provides an online storefront where numerous software choices are offered for free or at a substantial discount to students. Visit: https://tulane.onthehub.com

Technology Connection

Tulane provides a physical storefront where students can purchase Dell and Apple equipment with a discount. Students can also bring their personal laptops to the service desk located inside the store to get assistance with repairs and upgrades. The Technology Connection store is located on the first floor of the LBC building uptown. Free shuttle service runs from the Public Health campus to the Uptown campus. For more info, visit: https://techconnect.tulane.edu/

Wireless Services

Eduroam is a Tulane wi-fi network for Tulane students, faculty, and staff. Authentication to eduroam allows Tulane students access to wireless networks on other participating college campuses as well. View this Knowledge Base article to learn how to connect your devices to eduroam: https://tulane.service-now.com/kb_view.do?sysparm_article=KB0015259

Service Now, IT Ticket System, and Knowledge Base.

The IT Ticketing System and Knowledge Base are available to all Tulane Students. The Knowledge Base contains instructional how-to on common technology issues facing students as well as configuration guides for connecting your devices to various services such as Outlook Mail and wi-fi. https://it.tulane.edu/getting-started-services

Computer Labs

Computer labs are available to current students for drop-in use when classes are not in session. The labs are in rooms 1214, 1216, 1218, 1220 and the Matas Library. The labs provide convenient access to a wide variety of software applications. For more information please visit https://sph.tulane.edu/grit/services/classrooms-labs.

Information Security

Policies such as data security and copyright govern the broad range of electronic activities that you may engage in as a student. Find more information about specific regulations and topics including phishing by visiting https://it.tulane.edu/information-security.

Information Security

Policies such as data security and copyright govern the broad range of electronic activities that you may engage in as a student. Find more information about specific regulations and topics including phishing by visiting https://it.tulane.edu/information-security.
Transportation & Parking Downtown

The Tulane University [Shuttles and Transportation](#) system makes it easy for students to get around campus and around New Orleans with [shuttle](#) and [parking services](#). There are several different shuttle lines that bring students to numerous locations around the city, including the downtown and Elmwood campuses as well as shopping and entertainment venues in and around the greater New Orleans area. This makes it easy for students to go shopping or run errands during the week without spending tons of extra money on an Uber, Lyft or taxi. Students can also take advantage of [TapRide](#), an on-demand, point-to-point van service, which is available every night of the week. A student ID is required to board shuttles.

Other transit options to travel around New Orleans are buses and streetcars. Check out the Regional Transportation Authority for bus and streetcar maps, schedules, and buy fares and online passes. Please note schedules may change due to weather or holidays especially during Mardi Gras season to accommodate parades rolling through the city.

Downtown Parking

Campus Services offers a free Night and Weekend Parking Contract in Tidewater, Murphy, and the Med School garages to SPHTM students, with a $20.00 deposit required for tag (refunded upon re-entry). If unpaid leaving lot must pay again. If not a public parking facility offered only online at www.go-parking.com $80.32/month.

Safety & Security: TUPD

The TULANE UNIVERSITY POLICE DEPARTMENT is a full-service law enforcement agency that provides police services to the Uptown Campus, the Downtown Medical Center Campus and the National Primate Research Center located in Covington. We strive to adhere to the best practices including nationally recognized standards for the delivery of police services and are accredited by the Commission on Accreditation for Law Enforcement Agencies (CALEA). The Tulane University Police Department employs full-time commissioned police officers who are trained at state-certified police academies and meet all the requirements of the Louisiana Commission on Law Enforcement Peace Officer Standards and Training Council.

**TUPD SERVICES**

- **PERSONAL ESCORTS:** If you feel unsafe walking on campus, contact us any time of the day for an escort.
- **RAPE AGGRESSION DEFENSE (RAD):** This self-defense course is offered to all students free of charge. The RAD course includes lecture, discussion, and self-defense techniques suitable for all ages. RAD information will be forthcoming via social media, university email, the [Hullabaloo](#), and OrgSync.
- **VEHICLE ASSISTS:** TUPD officers provide jumpstarts and vehicle unlocks for our students at no cost.
- **SECURITY ASSESSMENTS:** Security assessments of off campus residences are offered for our community members. These assessments are provided by certified Crime Prevention Specialists and contain recommendations on security best practices.
- **CRIME PREVENTION PROPERTY THEFT** is the predominant crime on Tulane’s campus. A vast majority of these thefts are completely preventable! DO NOT leave your personal items unattended or your residence hall rooms unlocked. In the blink of an eye, your stuff can be taken.

Emergency Preparedness and Response

In the event of an emergency, you can expect to be alerted about critical messages from the university via email, text, and voicemail; therefore, it is important that your contact information remain up-to-date. You can also keep yourself updated through the following University resources:

- Tulane Alert Line: 877-862-8080 or 504-862-8080
- Emergency Notices: [http://emergency.tulane.edu](http://emergency.tulane.edu)
- Twitter: @TulaneEmergency

June 1st through November 30th is the most active time of year for hurricanes and other tropical events with the peak period from the end of August through early September – which coincides with the start school year! It is imperative that all students prepare themselves for the possibility of a tropical weather event and the prospect of evacuation.

Follow these links for more detailed information:

- **SPHTM Hurricane Plan**
- **University Hurricane Plan**

And most importantly, make sure your contact info is up to date in [Gibson Online](#) because this is where the university will send texts and voicemails.

Work, Live, Eat!

Student Employment

The University offers student employment opportunities and participates in the federal work study program.

Student Hiring Process

- Search for a job at studentemployment.tulane.edu
- Attend the 2019 Student Job Fair on August 27th, 9am-3pm in Lavin-Bernick Center Qatar Ballroom
- Accept a job offer and complete hiring forms emailed to you from employment@tulane.edu
- Present your I-9 supporting documents in person
- Wait patiently for your paperwork to be processed.
- Start working at your new job!

Federal Work Study

- Students must accept a work-study award as part of the financial aid package to be eligible for a Work Study job.
- Confirm Work Study award by visiting Gibson Online. Instructions can be found on the Financial Aid Website.
- FWS awards are restricted to U.S. citizens only.
- Contact your Financial Aid counselor if you have any questions.

Student Employment Office

200 Broadway Street
New Orleans, LA 70118
504-247-1700
wmse@tulane.edu

Tulane University is an Equal Opportunity/Affirmative action/ADA/Veterans Employer. All eligible candidates are invited to apply for position vacancies as appropriate.

Eating Downtown

Coming to Tidewater in September 2019, The Market will provide an assortment of fresh foods, prepackaged cold food, snacks, and all Coca Cola beverages.

Food trucks will also be parking at Tidewater a few days a week beginning in the Fall 2019 semester. Stay tuned to email, elevator flyers, and the video boards for details!

Medical School Food Court

Located within the medical school at 1430 Tulane Avenue the food court offers entrees from the Americana Grill, Envuelto authentic Mexican cuisine, Simply to Go, AFC Sushi, Soy Asian-style dishes, Rossiti’s traditional Italian cuisine, Harvest Gardens fresh salads, Zatarain’s Gulf Coast favorites, Louisiana Sun fresh seasonal fruits, and Cup of Roux handmade soups.

There are also food trucks parked daily outside the hospital on Tulane Avenue between 11:00am-2:00pm.

Company Kitchen

Located at 131 South Robertson St., Company Kitchen is stocked with fresh and nutrition selections, including crisp salads, fresh sandwiches, dairy products, fruit, yogurt, and beverages with 24/7 availability.

The downtown area also has many restaurants within a short walk including Subway, Mr. Bubbles, School of Medicine, PJ's Café, and Smoothie King. Check out many more places to eat and things to do at New Orleans, 24/7 since 1718.

Off-Campus Living

Some of you may choose to live off campus while in graduate school, and that's a great choice! There are so many great neighborhoods in New Orleans, and each one has its quirks and hidden gems. Most neighborhoods are accessible to SPHTM via public transportation or the TU shuttle, and several are within bicycling distance. Some neighborhood names you’ve probably heard tossed around include Uptown, Garden District, Lower Garden District, Irish Channel, Bywater, Marigny, Mid City, and Broadmoor to name a few.

Wherever you decide to live, the university has put together a great off-campus living guide to help you navigate neighborhoods and local ordinances to help you live your best New Orleans life.

Feedback & Concerns

Tulane University and SPHTM is always interested in your student experience. To capture your feedback and suggestions we use various communication outlets including Deans’ Hours, Student Lounge suggestion box, SPHTM SGA, and surveys. Please feel to share your feedback anytime so we can respond effectively to help you and potentially help others in the future. Be on the lookout as there will be multiple places to the latest updates to find out what’s happening at Tulane and SPHTM including e-mail, monitors, and elevator flyers.

Tulane also has a centralized online report form for complaints and concerns which is the primary, and preferred, method for submitting any report of concern about a student and his or her behavior, including but not limited to conduct that may violate the Code of Student Conduct. This system allows for efficient routing of concerns to the appropriate office, as well as tracking follow-through on a concern.

If you are aware of conduct that violates the Code of Student Conduct or that otherwise causes you concern, we encourage you to file an online report. Whether you wish to file a report regarding conduct or any another concern, the report allows the appropriate offices to address concerning behavior.
